FLORENCE and PISA

Departure from the port of Livorno by coach for Florence (1hr 30 mins), known universally as the city of Art, with its incredible wealth of architecture, paintings, sculptures, historical and scientific memories. Our walking tour starts from *Piazza Santa Maria Novella* and heads for the district of San Lorenzo, age-long centre of craft shops, where we can admire the homonymous basilica, work of Filippo Brunelleschi commissioned by the Medici Family. The visit will continue in *Piazza del Duomo*, home to the *Church of Santa Maria del Fiore* with the majestic cupola by Brunelleschi, the largest ever built. Next to it are *Giotto's Bell tower* and the *Baptistery of St. John*, best known for its bronze doors among which stands out the gold plated door of Paradise. From here we move on to the heart of Florence: *Piazza della Signoria* where we will admire the majestic *Palazzo Vecchio*, the seat of political power, and the *Loggia dei Lanzi*, sculpture gallery. A short distance away stands the *Uffizi Gallery*, regarded as one of the most famous art museums in the world. We will then make our way to the river which crosses Florence, the Arno, flanked by ancient buildings and crossed by the magnificent *Ponte Vecchio*, symbol of the city and unique in the world with the characteristic jewellery shops built inside. We will continue our tour towards the 19th century *Piazza della Repubblica*, the most elegant centre of the tourist-business area of the city, with the large historical coffee shops and luxury hotels, the magnificent buildings and commercial gallery. Free time. Meeting at Santa Maria Novella to transfer to Pisa (1hr 30min).
