MYKONOS

Our tour will wind around Mykonos, the best known of the Greek islands. The first stop-off point is a few steps from the capital Chora-Mykonos: the *Monastery of Panagia Tourliani*, the name of an icon depicting the Virgin Mary which is we can admire the entire bay. Also known as “Little Venice”, because it is built close to the shoreline, it extends between the beach of Alefkantra and the historical district of Castello, a unique and fascinating area, characterised by white homes with coloured balconies and painted in the classic blue colour of the Greek islands, with windows and doors which lean out over the sea and the characteristic vibrant narrow streets. We will soak up the true cosmopolitan and festive feel of the island with its innumerable bars, restaurants, craft shops and jewellers’ Free time, before returning to the port.
