ATHENS

Meet the guide at the port, before embarking on the tour to discover the cradle of European civilization: Athens, capital of Greece, dedicated to the goddess of wisdom, was a crossroads of people, races and invaders, the centre of cultures and civilisations of the Mediterranean which has spread knowledge, transmitted the light of science and offered the idea and basis for democracy worldwide. We will visit the *Acropolis*, symbol of the city and be impressed by and admire the majestic *Parthenon*, the grand temple, a perfect and harmonious work of art. We will move on to explore the district of Plaka which extends to the feet of the *Acropolis*, and discover the other wonders of this magnificent city. These include the *Olympic Temple of Zeus*, the largest in Greece, the *Ceramic*, the city cemetery from the 12th century B.C. until Roman times, or the *Ancient Agorà*, market square of the ancient capital, *Hadrian's Arch* and the *Royal Palace*. Before returning to the port, we will stop off at the city stadium, home to the 2004 Olympic Games. Note: Extra charge for Sundays and holidays
